Rising majestically above the azure waters of the Mediterranean Sea and the captivating Principality of Monaco, Tour Odeon takes luxurious living to dazzling new heights.

The Odeon Tower distinguishes its self by the exceptional level of design but also from the highest level of services never equal in the Principality, equivalent to a 5 stars Hotel. The residents can benefit from a Conciergerie service, Vallet and chauffeured Service with high-end amenities featuring a business centre, a unique and luxury space available for professional purposes, and an entertainment area with its bar, lounge, pool table and private cinema.

When entering through the private lift entrance, one gazes up at the huge two living rooms rising majestically above the Principality of Monaco and the shimmering waters of the Mediterranean Sea.

The stylish and tastefully designed 6 bedrooms are havens of pure comfort and tranquillity with a spaciousness that is enhanced by the floor-to-ceiling glass walls and seemingly endless views of the Mediterranean below.

Bathrooms and the huge kitchen offer a blend of practicality and impeccable style. Each is fitted out to the highest specification with the most advanced appliances from the most prestigious and respected names in these fields.
