Located in the very heart of the Golden Square and dominating the Mediterranean Sea, the Monte Carlo Star is the most emblematic residence of the Principality. It benefits from an exceptional peaceful position, at the gateways of the Place du Casino, with its luxury boutiques and gastronomic restaurants, only a step from the Thermes Marins and the Yacht club.

A full range of exclusive services comes to complete the greatness of the place, offering to its residents a private indoor swimming pool and 24/7 security service, the whole magnified by elaborated gardens.

The studio features an open-plan living space with an equipped kitchen, opening out onto a lovely and very quiet terrace, far from the urban bustle but so close from the centre at the same time.

Further benefits include a cellar and a parking space.
